

# Leave-In Scalp and Hair Conditioner

Massaging a dab of leave-in scalp & hair conditioner into the hair and scalp will provide conditioning and manageability to the hair while providing moisturization of the scalp. Colonial Monolaurin will help maintain a healthy scalp and minimize itch and scaling caused by excessive dryness. It is also a delivery system for gamma linolenic acid, an essential fatty acid for normalizing skin.

<u>Compound</u>	<u>Wt %</u>
Water	90.2
Hydroxyethyl Cellulose	0.5
Glycol Distearate	1.5
